PETITION TO SAVE KILLALEA STATE PARK

To the Honourable President and members of the Legislative Council of New South Wales. This petition of the citizens of New South Wales brings to the attention of the house the serious matter of development at Killalea State Park.

The undersigned petitioners ask the Legislative Council to convey our objection, to the Minister for Lands and the Minister for Planning, to multiple parts of Killalea State Park being leased to private interests for 52 years to undertake a major accommodation development in a public park.
